

It was a very special honour for me to gain such a great insight into English Boxer breeding. Thanks to all exhibitors for presenting me with over 100 Boxers - Boxers of really very good quality. It was a pleasure for me to get to know you and your breeding results. Thank you Pam for your hospitality and great organisation. Thanks to my ring steward Angie, without whom no show would be possible and thanks to my dear wife Katja who accompanied me and wrote the review.

You can be proud of the high quality of your Boxers; it was a pleasure and a great honor for me to be able to judge them. A weekend I will never forget.
