Mr Mathias Wolf from Germany will be judging both sexes at our 2025 Championship Show. Mathias discovered the Boxer for the first time in 1995 at a dog show in Munich and after some research, he knew it was the breed for him.

His first boxer was Barbie von der Bismarcksau, a daughter of Nando von der Flachswiese. In 1995 he joined the Boxer Club in Munich and made his first exhibition and work experiences with Barbie.

In 1998 he began his time as a demonstrator at exhibitions. As a dog handler of Zoff from the house of Rehberg, Mathias' unique story began: Zoff became a very successful show dog and father of many litters, including the first litter with Barbie from his own kennel 'vom Schwanenschloss'. To date he has bred 39 litters, including several multi Champions such as Caos, Coco-Chanel, Godewind, Naomi-Campbell and Olivia from Swan Castle.

At Boxer-Klub e.V. He has held various positions, including Group Chairman, Training Warden, Breed Warden, National Group Treasurer and National Group Chairman. He was a member of the Committee for Breeding and Licensing for 9 years, including 5 years as the Licensing Master.

In 2012 Mathias was appointed as a Breed Judge for German Boxers. Since 2015 he has been a Licensing Master and since 2016 a teaching judge for candidates for breeding judges or licensing masters. In 2018 he had the honour of judging brindle males at Atibox World Show and has judged in 13 countries. One of his special personal interests are his two seminars "Functionality Building German Boxers" and "The Boxer Begins At The Head". More than 1500 participants have taken part in Mathias's seminars. He has had a positive influence on boxer breeding with his own stud dogs over many years. Mathias recently judged at Wubox 2024 in Hungary.

THE ATTENTION OF ALL EXHIBITORS IS DRAWN TO THE KENNEL CLUB REGULATION RE: FOULING WHICH READS

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Crate / Cage Identification

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose. The Kennel Club request that, for safety reasons, all dogs in soft cages are NOT left unattended at any time

Dog Fouling & Grooming Waste

Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog/s at any Kennel Club Licensed Show within the licensed venue & within the environs of that event including car & caravan parks & approaches

Exercise Area

An exercise area will be provided. Exhibitors/Handlers are required to clear up any fouling by the dogs in their charge.

No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show.

Any substance (other than water) which may be used in the preparation of dogs for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

Therefore chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

- 1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A11.

- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

Children

Children must be kept under parental control at all times or they, with their parents, may be asked to leave the show

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused
